

1. PROJECT OVERVIEW

Develop an online booking system for 2 facilities:

1. Zahira Green - College Ground
2. Azwar Hall

The system should allow public users to check availability, reserve slots, upload payment proof, and allow Admin to manage, approve, and track bookings.

2. MODULE1 : ZAHIRA GREEN - COLLEGE GROUND

2.1 Booking Rules

1. ***Reservation Process***: User selects date + time slot → fills form → uploads payment receipt image → submits.
2. ***Confirmation***: Booking status = "Pending" until Admin verifies payment. Status changes to "Confirmed" after approval.
3. ***Cancellation Policy***:
 - User cannot cancel.
 - Admin can cancel a "Reserved/Pending" slot if payment is not confirmed 2 days before the booking date.
4. ***Public View***: Calendar must show "Available" or "Reserved". Booker name/contact must NOT be public.
5. ***Admin Panel***:
 - View Weekly calendar + List view
 - View booking history with filters by date, status
 - Approve/Reject bookings
6. ***Notifications***:
 - Email / Whatsapp notification to Admin on every new booking

- Google Calendar API integration to auto-add confirmed bookings

2.2 Pricing Structure

Time Slot	Lighting	Rate (LKR)
8:30 AM - 6:30 PM	Daytime	6,000 (Flat Rate)
6:30 PM - 6:30 AM	4 Lights	3,500 / hour
6:30 PM - 6:30 AM	2 Lights	2,000 / hour

3. MODULE 2: AZWAR HALL

3.1 Booking Rules

1. *Reservation Process*: Same as Zahira Green.
2. *Confirmation*: Pending → Confirmed after Admin verifies payment 2 days prior.
3. *Admin Panel*: Monthly calendar, booking history, revenue report export to Excel/PDF.
4. *Notifications*: Email to Admin + Google Calendar sync for confirmed events.

3.2 Pricing Structure

Item	Rate (LKR)
Hall Rent	10,000 per event/day
Chairs 10 per chair	
Sound system can be arranged upon request.
